

Blue Cruiser is the leading speedboat company specializing in tours on the Mekong Rivers of Vietnam and Cambodia, in addition we provide daily trips between Chau Doc and Phnom Penh, and Phnom Penh and Chau Doc.

Blue Cruiser specializes in speedboat travel tours. Our business focuses on speedboats as a comfort and relaxing means of transportation. We understand that the more we focus on one product, the more professionalism we can achieve and the better we can serve our clients.

With our licensed and experienced speedboat pilots, and our friendly staff, we are confident that we can provide an enjoyable experience for your clients. Blue Cruiser has an excellent team of speedboat pilots, all professionally trained, and experienced in the travel industry. We have experience serving VIP groups, business travelers, MICE market (meeting, incentive, conference and exhibition), Tour groups, and also researchers who would like to study the lifestyle, natural life or ecological condition in the Mekong Delta in Vietnam and Cambodia.

Blue Cruiser has many reputable Destination Management Companies as our partners having sales, booking or representative offices around the world. Should you want to know our partners and the nearest booking office to where you live, please contact us (Check the links in the Partner section). We will endeavour to answer your questions within 24 hrs.

Blue Cruiser is a group of very motivated people. The company was established in 2001.

Besides the head office in Saigon (Ho Chi Minh City) Vietnam, Blue Cruiser has a very motivating and helpful team based in Phnom Penh, Cambodia. The team takes care of our daily running and management of Blue Cruiser's programs in Cambodia. Located in Chau Doc is our boat maintenance facility and overnight docking.

Please contact us for whatever questions you have about our company and our services. Thank you for being with us.
